

DOUGLAS LAND CONSERVANCY

2026 Sponsorship Opportunities

Protect the land you love and connect with your community

Since 1987, Douglas Land Conservancy (DLC) has been dedicated to preserving the beauty of our region, currently more than 28,000 acres of open spaces, watersheds, ranches, scenic views, and wildlife habitat are permanently protected. The impact of this work is all around us, helping to define our community's character.

We would love for you to be part of this mission. Partnering with DLC is more than just good business, it's a way to show your commitment to conservation and community, something your customers truly value. Together, we can keep these special places protected for future generations while building meaningful local connections.

Let's make a lasting impact together.

SOLD to Link Real Estate Group

- Recognition in all event marketing, during the event, on the website, and in the 2026 Impact Report
- Social media acknowledgment

MULTIGENERATIONAL GIVING AT UNDER A WILD SKY Passing Down a Love of Land and a Tradition of Giving

New in 2026! DLC is offering the chance to sponsor Under a Wild Sky as a family. This opportunity provides a meaningful way to support conservation together, create lasting memories and pass along the values of philanthropy and land preservation.

Under a Wild Sky sponsorships may be fulfilled as a multigenerational gift, with family members contributing together and youth or young adults recognized as part of a family's shared commitment to conservation.

The family will be recognized in print materials and all marketing, at the event, and with a social media acknowledgment. Additionally, a family photo will be taken at the Columbine Barn to capture the special evening.

Multigenerational giving invites families to experience conservation side by side. Through Under a Wild Sky, families protect the land they love and pass along the values that will guide future stewards.

OAK LEAF SYMPOSIUM
Autumn, 2026 | 10 AM – 4 PM
PACE Center, Parker, CO
Attendance 100+

Join us at DLC's annual benefit to honor dedicated conservationists. This one-day gathering brings the conservation community together for educational sessions, shared meals, and meaningful connection, culminating in the annual awards ceremony.

In 2026, we are proud to recognize Jackie Sanderson, recently retired from Douglas County Open Space and Natural Resources, with the Oak Leaf Award, and Deb Hill and Greg Stauffer, private conservation easement landowners, with the Mel Sorensen Stewardship Award.
